

Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2017/18, Sections 1 and 2

- Where an authority is exempt from the requirement for a limited assurance review, it need not submit its Annual Governance and Accountability Return to the external auditor. However, as part of a more proportionate regime, the authority **must** comply with the requirements of the Transparency Code for Smaller Authorities.
- The authority **must** comply with Proper Practices in completing this Annual Governance and Accountability Return and the Certificate of Exemption. Proper Practices are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end.
- The authority **should** receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed annual return. Any amendments must be approved by the authority and properly initialled.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness at the meeting at which it is signed off.
- You **should** inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.
- It is recommended that the authority has numerical and narrative explanations for significant variances in the accounting statements on **page 4**, should a question be raised by a local elector. There is guidance provided in the *Practitioners' Guide** that may assist.
- Make sure that the accounting statements add up and the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the accounts and accounting records can be inspected. Whatever period the RFO sets **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.
