June 2022 newsletter / report.

Dear Constituents,

I hope this finds you well, On the 25th May I was honoured to represent the Mayor of King's Lynn and West Norfolk when I attended the West Walton Primary School to present the Platinum Jubilee Coins. I visited year six to hand out coins, leaving the remaining coins for the school staff to distribute. I had my photograph taken with the Head Girl and members of the school council.

I am also pleased to report that I have used some of my Borough Councillor Community Grant to donate to the West Walton Playing Field Platinum Jubilee party on the 4th of June. I was also invited along to help judge the cakes.

During June there are no full council meetings in King's Lynn or Norwich. Other main meetings include 1 x East of Ouse, Polver & Nar Internal Drainage Board Committee, 1 x Norfolk Fire and Rescue Service Strategic Development Oversight Group (via Zoom). 1 x King's Lynn Internal Drainage Board Meeting (WMA) King's Lynn. 1 x Environment and Community Panel meeting, King's Lynn Town Hall. 1 x King's Lynn Conservancy Board Meeting (via Zoom)

I will have attended all seven monthly Parish Council Meetings within my BCKLWN Ward and County Division.

I have helped with the monthly West Walton Litter Pick.

The Market Lane Speed reduction scheme from Terrington St Clement through Walpole Cross Keys and on to Walpole St Andrew is still scheduled to be in place this summer, I have signed off more paperwork relating to this during May.

I will be looking for projects which require my help with funding throughout my County Division. I will again have Ten Thousand Pounds to spend on infrastructure, I encourage Parish Councils to let me know of their projects.

I continue to report Highway faults, including potholes, hedges, mud on roads and fly tipping.

I have received phone calls and emails from constituents with concerns on many subjects, which I have dealt with in a timely manner.

Please contact me if I can help you in anyway, either as your Borough or County Councillor.

Kind regards,

Julian.
